

# How can Scrip benefit my family?

## Fundraising burnout is real.

We know. We get it. You're sick of raising money. However, if schools like JPll didn't fundraise or receive subsidies from the churches in the Diocese of Marquette, families would be paying upwards of \$5,500 per year for tuition. Thankfully, the subsidies and our 3rd Source Fundraising reduce that cost by about 66%. WOW! But, we don't want families to feel they need to buyout student obligations for things like candy bars, popcorn and cookie orders. That's where Scrip comes into play. Since we have been unable to host fundraising events, this is more important than ever. We need your help!

---

## I don't like constantly selling things we don't need!

If you're sick of your child carting around order forms for sweets and over-priced wrapping paper, Scrip is your new best friend. Instead of multiple little fundraisers throughout the year, JPll offers Scrip cards year round. That's not even the best part, because this fundraiser doesn't force you to spend more money than you normally do. That's right, your budget will not be stretched. What's more, you can even use the program to reduce the cost of next year's tuition. What?! Yes, you read that right.

---

## But, how does it work?!

All you need to do is purchase gift cards for your favorite retailers either online at shopwithscrip.com, Raise Right mobile app or in the JPll office (we have some cards on-hand, ready to purchase) or via a paper Scrip order form you can print off our website under the Important Docs tab. YOU don't pay a dollar more at these retailers. No, actually the *retailers* pay JPll a rebate amount.

## Here are some examples:

### Do you buy gas?

If you spend a mere \$100/month on gas for your family, consider filling up at Krist or Tittletown Shell gas stations. *If you did this using Scrip gift cards, you would earn \$120/year in gas rebates alone!*

### Do you eat out?

If you spend \$50/month at restaurants, you have the earning potential of \$60-\$120/year! *Some restaurants, like Dexter's and Schooner's offer a 20% rebate on your purchase! AH-MAZING!*

### Go grocery shopping?

It's easy to spend \$200/month at the grocery store. *Do that at Jack's, Walmart or Sam's Club and you earned your family \$72/year!*

## How do I earn money for next year's tuition?

Every family has a threshold of total Scrip rebates that need to be earned each school year to avoid paying a buyout. For families with students in grades K-8th grade, [that threshold is \\$150, in preschool it is \\$75](#). This is the amount of money that the retailers pay back to JPIL, not the total amount of gift cards purchased. However, as you can see by the previous page's examples, it is easy to surpass each threshold if utilized monthly.

Once your family hits its \$75 or \$150 threshold, 50% of all rebates earned above and beyond the \$150 will be taken off of next year's tuition balance. How cool is that?!

While this may seem like a pipe dream to some, we have had families earn free months of tuition simply by using the Scrip cards strategically -- like the family who used Menards cards when re-roofing their home. Genius!

---

## How fast can I get a card?

There are two ways to order Scrip: the physical gift card and electronic ecards.

The physical gift cards can be ordered: online ([shopwithscrip.com](#) or [myscripwallet.com](#)), in the JPIL office or via the orange Scrip order form sent weekly in your Family Envelope. All orders for physical gift cards sent via order form or placed online *before Thursday at 12 pm will be sent home with your student or available for pickup that following Thursday after 2:30 pm*.

Electronic ScripNow! ecards are ordered online at [shopwithscrip.com](#) or [myscripwallet.com](#) and are available immediately. Not all retailers have ScripNow! cards available, but nationwide companies like Walmart and Amazon do. Some families purchase these cards while in the store and are able to checkout right away with their ecards! This is a great option for those who aren't quite sure what their shopping budget is for the month.

---

## Can friends and family participate?

Yes! Yes! Yes! On the backside of the orange Scrip order form is instructions for setting up an online Scrip account as well as the code needed for crediting your family. Simply send these directions to your family or have them stop buy the JPIL office to pickup cards as they need them. We will make sure your family gets credit!
