- **Hot Lunch:** Mike met with the interim MAPS superintendent, to discuss the possibility of partnering with MAPS to get a hot lunch program started here at JP II.
- **Outdoor Classroom Update:** Holes have been dug. Explained the concept; a company from Canada manufactures these, and it was purchased with EANS funding.
- **ISSE Exchange Planning:** We have an opportunity to do a student exchange program with students from Mexico City. Mike sent an email out to families to gauge interest.
- **Future staffing considerations (personnel):** Josh will be starting at Resurrection in the mornings next week.
